TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Jackson in the County of Carroll in said state, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Jackson on Tuesday, the 8th of March, next, at nine of the clock in the morning, to act on the following subjects:

1. To choose all the necessary Town Officers for the ensuing year. Polls open at 9:00 A.M. and close at 2:00 P.M.

1 Moderator for	2 years
1 Selectman for	3 years
1 Trustee of Trust Funds for	3 years
1 Trustee of Cemeteries for	3 years
1 Library Trustee for	3 years
1 Auditor for	1 year
1 Supervisor of Check List for	6 years

2. To see if the Town will vote to adopt Amendment No. 1 as proposed by the Planning Board and required by Federal Emergency Management Agency in order to maintain continued eligibility in the National Flood Insurance Program.

This amendment would insert the following new definition into Section 3 of the Zoning Ordinance between the definition for "Private Road" and "Riparian Land":

Recreational Vehicle shall mean a vehicle which is (a) built on a single chassis; (b) 400 square feet or less when measured at the largest horizontal projection; (c) designed to be self propelled or permanently towable by a light truck; and (d) designed not for use as a permanent dwelling but as temporary living quarters for recreational, camping, travel or seasonal use.

3. To see if the Town will vote to adopt Amendment No. 2 as proposed by the Planning Board and required by FEMA in order to maintain continued eligibility in the National Flood Insurance Program.

This amendment would insert the following regulation at the end of Section 10: Areas of Special Flood Hazard:

M. Recreational vehicles placed on sites within Zones A1-30, AH, and AE shall either (i) be on the site for fewer than 180 consecutive days, (ii) be fully licensed and ready for highway use, or (iii) meet all standards of Section 60.3(b)(1) of the National Flood Insurance Program Regulations and the elevation and anchoring requirements for "manufactured homes" in Paragraph (C)(6) of Section 60.3.

4. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.

5. Town Officers' Salaries. Selectmen favor. \$ 16,900.00

Town of Jackson, New Hampshire

6. Town Officers' Expenses. Selectmen favor.	53,750.00
7. Maintenance of Highways. Selectmen favor.	141,000.00

18. Dundee Cemetery Fence. Selectmen favor.	3,500.00
19. Street Lighting. Selectmen favor.	8,500.00
20. Insurance, Including Blue Cross/Blue Shield. Selectmen favor.	78,950.00
21. Social Security and N. H. Retirement System, Selectmen favor.	21,500.00
22. Town Library. Selectmen favor.	7,200.00
23. Planning Board. Selectmen favor.	3,000.00
24. North Country Council, Inc. Selectmen favor.	1,463.00
25. Conservation Commission. Selectmen favor.	700.00
26. Legal Expenses and Damages. Selectmen favor.	5,000.00
27. Civil Defense. Selectmen favor.	100.00
28. Welfare. Selectmen favor.	4,000.00
29. To see if the Town will vote to raise and appropriate the sum of <u>\$500.00</u> for support of the Eastern Slope Airport Authority. Agreeable to a petition signed by Kathleen M. Dougherty, et al. Selectmen favor.	

Town of Jackson, New Hampshire

30. To see if the Town will vote to raise and appropriate the sum of \$200.00 to help defray the expenses of the service carried out by the Mount Washington Valley Chapter of the American Red Cross. Agreeable to a petition signed by Roger A. Chambers, et al. Selectmen favor.
31. To see if the Town will vote to raise and appropriate the sum of \$732.00 for the Visiting Nurse Services of Northern Carroll County, Inc. Agreeable to a petition signed by Robert N. Abarno, et al. Selectmen favor.
32. To see if the Town will vote to raise and appropriate the sum of \$1,430.00 for the support of the Children & Youth Project of Mt. Washington Valley. Agreeable to a petition signed by Daphne LeMay, et al. Selectmen favor.
33. To see if the Town will vote to raise and appropriate the sum of \$1,837.00 for the support of the Gibson Center for Senior Services. Agreeable to a petition signed by Paul Lodi, et al. Selectmen favor.
34. To see if the Town will vote to raise and appropriate the sum of \$1,107.00 to assist the Carroll County Mental Health Service. Agreeable to a petition signed by Lorraine Tilney, et al. Selectmen favor.
35. To see if the Town will vote to raise and appropriate the sum of \$450.00 for the support of the Community Action Outreach Program. Also to see if the Town will vote to raise and appropriate the sum of 200.00 for the support of the BIG BROTHER BIG SISTER ORGANIZATION administered also by the Tri-County Community Action Program. Agreeable to a petition signed by Judith H. Johnson, et al. Selectmen favor.
36. To see if the Town will vote to raise and appropriate the sum of \$1,017.00 to assist the Family Health Centre (Family Planning, Pre-Natal and Primary Care Programs). Agreeable to a petition signed by Lorraine Tilney, et al. Selectmen favor.
37. To see if the Town will vote to raise and appropriate the sum of \$350.00 for the Early Intervention Program (birth to 3 years) of Children Unlimited, Inc. Agreeable to a petition signed by Robert N. Abarno, et al. Selectmen favor.
38. To see if the Town will vote to raise and appropriate the sum of \$174.00 in support of Carroll County Against Domestic Violence and Rape's shelter for battered women and children. Agreeable to a petition signed by Tamara Wood, et al. Selectmen favor.
39. To see if the Town will vote to raise and appropriate the sum of \$30,000 to repair and resurface Town roads. Selectmen favor.
40. To see if the Town will vote to raise and appropriate the sum of \$3,500.00 for hydrant services to be provided by the Jackson Water Precinct. Selectmen favor.

Town of Jackson, New Hampshire

41. To see if the Town will vote to raise and appropriate the sum of \$62,189.98 for the chassis for a new fire truck and withdraw the sum of \$62,189.98 from the Capital Reserve Fund for Fire Department Equipment. Selectmen favor.
42. To see if the Town will vote to abolish the Transfer Site Facilities Capital Reserve Fund and to distribute the balance of that account as presented in the following articles. Selectmen favor.
43. To see if the Town will vote to establish a Capital Reserve Fund for the Capping of the Solid Waste Facility (should that ever become a reality) and to transfer \$117,000 plus interest (part of the sum which was in the Capital Reserve Fund for Transfer Site Facilities and which was dissolved) into this newly created capital reserve fund. Selectmen favor.
44. To see if the Town will vote to raise and appropriate the sum of \$50,000.00 to be deposited in the Capital Reserve Fund for Fire Department Equipment. \$30,000.00 of that sum will come from the dissolution of the Capital Reserve for Transfer Site Facilities and the balance of \$20,000.00 to be raised by taxes. Selectmen favor.
45. To see if the town will vote to raise and appropriate the sum of \$20,000.00 for the Capital Reserve Fund for Highway Equipment. Selectmen favor.
46. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to establish a capital reserve fund to be known as the Police Cruiser Capital Reserve Fund. Selectmen favor.
47. To see if the Town will vote to raise and appropriate the sum of \$4,946.00 to bring the Town into compliance with the Enhanced 911 Program for numbering of streets and houses and withdraw the sum of \$1,100.000 plus accrued interest from the Civil Defense Escrow Savings Account. Selectmen favor.
48. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept, and expend, without further action by the Town Meeting, money from the state, federal or other governmental unit or a private source which comes available during the fiscal year, in accordance with R.S.A. 31:95b.
49. To see if the Town will vote to authorize the Selectmen to dispose of a lien or tax deeded property in accordance with R.S.A. 86:42 and as justice may require.
50. To see if the Town will vote to authorize the Selectmen to borrow in anticipation of taxes.
51. To see if the Town will vote to authorize the Trustees of the Jackson Public Library to apply for, accept and expend money in accordance with RSA 202-A:4-c.
52. To act upon other business that may legally come before this meeting.

Town of Jackson, New Hampshire

Given under our hands and seals this 15th day of February in the year of our Lord nineteen hundred and ninety four.

Town of Jackson, New Hampshire

SELECTMEN'S REPORT

This year the deliberations of the Sounding Board, our informal citizen budget committee, were combined with the required public budget hearing which was held in January. We have proposed a budget which continues to pay for town employee full health insurance and includes a salary raise. Employees have not had a raise in the past four years.

The Bartlett-Jackson Transfer Site continues to operate smoothly. Our voluntary recycling program has resulted in lower tonnages for household waste. The newspapers are picked up by a private company at no cost to the community and our aluminum cans are taken in exchange for disposal of white goods. Demolition debris has increased.

The town's last valuation was in 1989 and obviously real estate markets have changed since that time. The current sales-assessment ratio for Jackson is 150%. In the coming months, with the assistance of Malcolm Call, a Certified N.H. Assessor, we will be refactoring the percentages used in the 1989 revaluation to be a more accurate reflection of the current market. The revised valuations will appear on your December tax billing.

48 building permits were issued this year which included seven single family dwellings with an estimated construction valuation of \$730,000. Anticipated improvements to town property include repair of the salt shed roof and the rewiring of the town garage and fire station to meet current standards. Escalating electricity costs are reflected in the increasing cost for street lighting and the need to replace the police department electric heat with a more economical heating system.

The town has received a \$5,000 bequest from the estate of Olive Godfrey specifically for recreational purposes. The funds are currently held in a savings account and we would welcome your suggestions for its best use. Jackson's Eastside Walk Foundation constructed a walkway along the bank of the Wildcat River from the stone bridge to Memorial Park. The walk has been enjoyed by both residents and visitors. The sidewalk around the village mile has several sections that need improvement and repair.

We extend our deepest sympathy to the family of the late Howard Kelley. Howard faithfully served Jackson for over 40 years.

The smooth day to day operation of our town can be attributed to our loyal employees who keep the roads clear, our town safe and secure, the town office running efficiently and the transfer site under control. Our volunteer firemen and ambulance personnel provide devoted service for our protection. Volunteer members of our town boards and commissions, the trustees of trust funds and many members of our community family generously contribute their time and talents. We are especially grateful to Ray Abbott and Ross Heald for their efforts in renegotiating the Gray's Inn notes and to Chuck Stone and Bob Temple for their hours of volunteered maintenance of the town hall skating rink. The Christmas decorations on the gazebo are the gift of Jack and Judy Cunningham.

Respectfully submitted

Frank J. DiFruscio

Scott Hutchison, Treasurer

LIBRARY TRUSTEES' REPORT

Jackson Public Library was a busy and productive place in 1993. The number of patron visits has increased, and book circulation figures are up as well. The Librarian, Mrs. Bissell, borrowed eighty-five books from Inter-Library Loan to answer special requests from our patrons.

The children of the Jackson Grammar School continue their Tuesday visits to the Library. The Trustees, recognizing the increase in the number of students at the school voted to add another hour to our early Tuesday morning program. The children now visit from 9:00 to 11:00 A.M., and Mrs. Bissell is able to devote all her attention to them.

The Jackson-Bartlett Pre-School continues to use the Library as a resource for fresh reading material.

The Trustees held a successful book sale in May and hope to make it an annual event.

New portable shelving was given to the Library and added to the entrance hall. It is convenient for the donated paperback books, which are for sale at all times at ten cents a piece.

The Library received a generous bequest from the estate of Olive Godfrey this year and also from the estate of former Library Trustee, Christine Elliott. The Friends of the Library donated \$600.00 in 1993.

The Library also received many other gifts of funds, books and periodicals. The Trustees are extremely grateful for the generosity of so many, especially at a time when budgetary restraints are necessary.

Respectfully submitted,

Danella Abbott Chairman
Marion L. Hill Secretary
Scott Hutchison Treasurer

REPORT OF TRUSTEES OF CEMETERIES

Once again, we appreciate the efforts of Pat Donnelly in her care of the Village Cemetery, Floribunda for their gardening skills, and Dean Davis for keeping Dundee Cemetery mowed.

The Trustees are also grateful to Evelyn Smith Woodbury for another generous gift to the Clifton Smith Family Trust.

Repairs at the Village Cemetery continued, with several sunken graves filled in.

Bill Browne laid out new markers at the enlarged Dundee Cemetery. The Trustees selected split rail fencing to surround this cemetery as the least obtrusive style for the surroundings. The fence will be erected this year to comply with state law.

One lot was assigned in the Village Cemetery and two in Dundee.

Respectfully submitted,

Wm H Browne

JACKSON CONSERVATION COMMISSION

The Jackson Conservation Commission met monthly as prescribed by N. H. State Statute. The Commission has also held additional meetings to conduct on-site field evaluations prior to making recommendations to the N. H. Wetlands Board. We have met with members of the Wetland Field Inspectors and the N. H. Water Supply and Pollution Control Division; Corps of Army Engineers and the Wildcat River Advisory Commission.

As mentioned in previous reports, work continues to be ongoing on the Jackson Falls West Bank. We again request that the users of the Falls area stay on the natural paths. Please take out everything you bring in. Help keep the area clean and neat.

The surveys and monitoring programs on the Wildcat River are ongoing and providing useful data. Water quality monitoring, the hydrology study and habitat surveys are continuing, and we are receiving interim reports and progress updates. One water quality report indicated high salinity (salt) where Great Brook joined the Wildcat River. Investigation found storage of salted sand on the bank which was leeching into Great Brook. The owner of the sand was notified, and he immediately moved the storage site to a safe location.

The walkway project along the Wildcat River from the Stone Bridge to the Town Park is basically completed and has seen considerable use by residents and visitors. It is possible that the path will be extended

Town of Jackson, New Hampshire

toward the Covered Bridge in the future. The Town owes much to Leland Harmon who spearheaded the project along with Peggy Frost, Bill Tinkham, Ed March and Betty Whitney. Thank you all!!

The gazebo is seeing lots and lots of use and has become a focal point for numerous meetings and events. Please respect it. Plans call for its electrification in the future - donations would be appreciated.

We have scheduled trail clearing and trimming at Prospect Farm for 1994 and have allocated funds from 1993 and 1994 for this purpose. The trails in question are not those being used by the Ski Touring Foundation. Bids will be solicited for this work.

We welcome Judy Johnson who replaced Richard Johnson on the Commission and thank Rich for his input and participation.

The Commission continues to need everyone's help in monitoring the Town's environment; clean water without pollution, aquifer protection, prevention of polluted run off and soil erosion prevention are vital to the future of all of Jackson's citizens and our children who will inherit our Town. Our environment is fragile and must be protected from destruction in every possible way. If you have questions about our environment which falls under the Commission's jurisdiction, call or talk to any member of the Commission, or come to our monthly meetings held at 5:00 P.M. at the Jackson Public Library on the second Thursday of each month.

Respectfully submitted,

David O. Moreton, Chairman

**ANNUAL REPORT
of the
WILDCAT RIVER ADVISORY COMMISSION
JACKSON, NEW HAMPSHIRE**

The Wildcat River Advisory Commission is an advisory commission established by the legislation which added the Wildcat River to the National Wild and Scenic River System. The Commission was established to assist the Town of Jackson and US Secretary of Agriculture with the long-term protection and enhancement of the designated river corridor of the Wildcat River.

The Commission consists of seven members, including local landowners and representatives from the town, the state, and the White Mountain National Forest. Members are nominated by the town, state and US Forest Service and appointed by the US Secretary of Agriculture for 3 year terms. The Secretary is presently reviewing a list of nominees for the next 3 year term, and new members should be installed during early 1994. The Commission meets regularly, as advertised by notice in local papers, and all meetings are open to the public.

An important Commission function is to offer advice and coordinate recommendations and activities affecting the river through appropriate town organizations. Another important function is to monitor the current condition of the river, including its water quality and meandering behavior. In response to the Commission's recommendation, the Forest Service established a sampling program to monitor water quality of the river on a regular basis. Water sampling results are periodically reviewed by the Commission to assure water quality is being maintained and to determine what if any action is needed to protect water quality. Preliminary results reviewed during 1993 showed no unusual conditions.

At the recommendation of the Commission, the Forest Service contracted with the University of New Hampshire to develop a river profile of the lower 8 miles during 1993. The profile will help us understand the movement of the stream course and its potential impact on existing streambanks and facilities, and the help learn how to protect the river's natural, free-flowing qualities. One interesting revelation of the study has been that river water from above Jackson Falls may pass directly into the underground water table of the Town below. The study is expected to be completed during 1994.

Another Commission function is to monitor activities happening on the river, as well as to advocate and support work projects. During 1992-93, the Commission supported and assisted the Town of Jackson and River Walkway committee with planning and construction of the walkway through the Village Green. The Commission also supported and assisted with the river cleanup on National River Cleanup Day.

For further information, contact:

Town of Jackson, New Hampshire

ROAD AGENT'S REPORT

The winter of 1992-93 started out cold with rain and no snow, resulting in frozen culverts and washed out roads. However, February and March made up for it with lots of snow. Fortunately, we had no equipment breakdowns. 800 extra yards of sand had to be purchased to finish out the winter season.

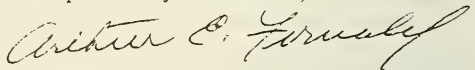

During the summer lots of ditches were cleaned and roadside brush was cut. Firewood was cut for the garage which keeps the cost of propane heat down considerably. Five culverts were replaced. 270 yards of pugmill mix was used in shimming town roads. Eagle Mountain Road, Thorn Mountain Road, Green Hill Road and Wilson Road were tarred. We are requesting \$30,000.00 for 1994 for repairing and tarring of roads since we plan to do additional roads and due to the cost of materials.

Maintenance work on the vehicles is an on-going project. I would like to have money set aside in Capital Reserve for replacement of highway equipment as we will be faced with truck replacement and possibly other heavy equipment in the near future.

Seasonal work such as putting up the Christmas tree and lights is done by the highway crew. The Christmas tree by the Covered Bridge has grown so tall that lights cannot be safely replaced on it due to the closeness to the high-tension electrical lines. Possibly, a new tree should be planted. Our thanks to 'Chuck' Stone and Bob Temple for maintaining the skating rink for residents and visitors alike.

Robert Tibbetts again mowed the town roadsides, and Howard Kelley mowed the park and Town property until he became ill in August. The highway crew extends their sympathy to his wife, Marie; daughters, Fran and Donna; his grandson Jay, who works for the Highway Department during the winter months, and other family members. Howard worked for the Town for forty years (thirty years as Road Agent) before his retirement in 1986.

Respectfully submitted,

Arthur E. Fernald
Road Agent

JACKSON POLICE DEPARTMENT

In April 1993 John Kelly was put on the department as a full time officer, following approval of the budget at Town Meeting allowing us to return to a two man department.

In June 1993 Jackson Police Department received its first 4 wheel drive Blazer. Then in September that vehicle was totaled in a rollover and was replaced with our present Blazer in October.

There have been several occasions this winter when the 4 wheel drive vehicle allowed us to get to calls, and we did not have to wait for the highway crew to plow and sand so we could get up the hills. This allowed the highway crew to stay on their plow route, and we got to these calls quickly and safely.

This year we worked with the State Police to have the D.A.R.E. program in the Jackson School for the fifth and sixth grades. We plan to schedule the D.A.R.E. program in the Jackson School again in 1995 for those attending the fifth and sixth grades at that time.

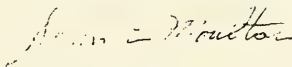

I feel we should put money into capital reserve to replace the 1990 Caprice in 1995.

Jackson Police Activity for 1993:

47	Criminal Cases
32	Criminal Cases cleared by courts or other means
105	Defective equipment tags issued
210	Motor vehicle warnings issued
27	Motor vehicle summonses issued
48	Motor vehicle accidents
97	Alarms answered - all were human error or from unknown cause

The Jackson Police Department thanks the community for all their help and support.

Respectfully submitted,

John E. Moulton
Chief of Police

JACKSON FIRE DEPARTMENT
1993 ANNUAL REPORT

The Jackson Fire Department would like to thank Fran Lyons for his service and dedication to the Department during his three year tenure as Chief and look forward to his continued support as a member of the Department. January 1994 saw the installation of new officers including, Andy Grigel, Chief; Edward Dubie, Deputy Chief; Kevin Bennett, Captain; Jim Chichwak, Lieutenant, Engine 1; Jay Henry, Lieutenant, Engine 3; Kenneth Crowther, Lieutenant, Engine 4; George Bordash, Secretary; and Richard Johnson, Treasurer. Fire inspections for enforcement of Life Safety Codes were completed by Raymond Lowd throughout 1993. We are happy to have him on board to assist the department with this important component of fire protection for the community.

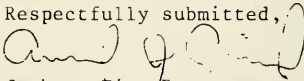

Total calls for service for 1993 were 74 with the most significant jump in Motor Vehicle Accidents. 1992 saw 5 calls for motor vehicle related incidents with this year's number up almost 400% at 24. A significant number of these were weather related as well as moose related accidents.

To address the rash of Covered Bridges that were burned throughout New Hampshire in 1993, the State installed a fire alarm system on the Jackson Covered Bridge in hopes that it would deter this from happening to an important Jackson landmark.

Once again the extensive repairs combined with the limitations on parts for Engine 1 is the Department's main concern. The truck has outlived its life expectancy of 20 years for emergency service and available parts, and it is a safety concern to the Engine Crew and the general public overall. The Department wishes taxpayers consideration for the warrant articles relative to the replacement of Engine 1 which has been proposed for purchase over the next two fiscal years.

Back by popular demand, there won't be a safe chicken in town when the Fire Department starts up the pits for the annual (been on vacation for the last few years) Chicken Barbecue. Feathers will fly again on Labor Day Weekend so make plans now to bring the whole family down to the park for this great tradition.

In closing, the entire Department would like to remind the community to check the batteries in smoke and fire detectors each spring and fall when turning clocks forward and back. In addition, we would also like to remind you to have yearly inspections of your household fire extinguishers.

Respectfully submitted,

Jackson Fire Department
Andy J. Grigel, Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During Calendar Year 1993, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were campfires left unattended, unsupervised children and debris fires that escaped control. All of these fires are preventable, but **ONLY** with your help!

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1993 and participated in many fire prevention programs. This year, the nation is celebrating Smokey Bear's 50th anniversary. The State of New Hampshire Forest Protection Bureau will be working with many communities to spread the fire prevention message - "Remember...**Only YOU** can prevent forest fires." Fire prevention is the most cost effective fire suppression tool. Please be careful around fires and help us and our communities have a fire safe year.

"REMEMBER...SMOKEY HAS FOR FIFTY YEARS!"

BARTLETT-JACKSON AMBULANCE SERVICE
ANNUAL REPORT

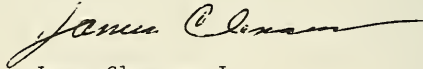

In 1993 we had 193 calls for service, up from 190 last year. As of January 1994 we have 21 members, all of whom are nationally registered Emergency Medical Technicians. John Bernardin has gone on to Medical School to become a doctor as did Angus Badger three years ago. Contrary to what some may think, our members are extremely dedicated to the medical field.

Over the past three years we have been able to keep our taxpayer funding below \$2,000. a year. That has come to an end. We were able to do it because we rolled over all unexpended funds into a Surplus Account. In 1993 those funds were transferred into our operating account. This year's budget is asking for \$8,646.00 from Bartlett and \$5,765.00 from Jackson. If anyone has any questions, please feel free to contact me before Town Meeting Day. This will give me a chance to research the answer.

If all goes well, the new 911 system will be in operation by the end of the year. This will be a great help in locating a residence. In the past we have had several calls from weekend renters saying they were staying in Linderhof or Birchview by the Saco, etc. In the interim, it would help if landlords put written directions to the residence next to the phone.

As usual, many thanks to the Fire and Police Departments with whom we work closely.

Respectfully submitted,

James Clemons, Jr.
Executive Director

1993 ANNUAL REPORT OF THE JACKSON PLANNING BOARD

The past year has been a very quiet one for the Planning Board. Taken into consideration and approved were a two-lot and a three-lot subdivision, respectively. In addition, eighteen lot line adjustments involving nineteen separate parcels of land abutting Cameron Drive were also approved.

There were some minor amendments to be made to the Jackson Zoning Ordinance, and these will appear on the ballot to be voted on at Town Meeting. The Federal Emergency Management Agency (FEMA) mandated that these changes be made in order that we maintain our continuing eligibility in the National Flood Insurance Program.

Throughout the year, the Planning Board met with property owners who were seeking advice on potential subdivisions and other matters relating to the Board's purpose and procedures. Again, the Fall Municipal Law Lectures were attended by some of the Board members. This year's discussions focused on conditions of approval, land use regulation of small businesses and cottage industries, and land use law.

A great deal of time and effort has been devoted to the continued review of the Jackson Subdivision Regulations. This task was begun more than a year ago and is nearing a point of completion thanks largely to the tireless efforts and vigilance of Sarah Kimball, who has seen this process through from its inception, and David Beauchesne, our North Country Council representative. First adopted by the Town in 1975, the Subdivision Regulations were most recently revised in 1982. Throughout the last decade there have been changes in the State RSA's; and criticism received by some who try to interpret the document is that it is redundant and difficult to understand. The purpose of the Board's intensive and time consuming review process is to update the regulations with the changes in State laws and to organize the Subdivision Regulations in a manner whereby they are concise and easy to understand. The Planning Board will soon complete its review and hold a public hearing on the revised regulations.

The Planning Board is not proposing any changes to the Jackson Zoning Ordinance for the March 1994 Town Meeting other than those required by FEMA.

Planning Board meetings are held in the Town Hall the second Thursday of each month, at 7:30 p.m., and are open to the public.

NORTH COUNTRY COUNCIL
1993 REPORT

1993 has been a busy year for North Country Council. Our membership stands at forty-four communities, representing 99 percent of the region's population.

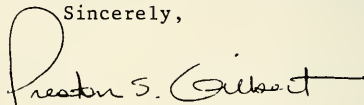

The year has seen major successes under the Council's senior staff leadership: David Beauchesne, Regional Planning Coordinator; Cathy Conway, Civil Engineering Coordinator; Claire Douglass, Community Planning Coordinator; and Liz Ward, Small Business Development Coordinator. This team has supervised projects that run the gamut from master planning and sewer system designs to traffic corridor planning, GIE mapping, and micro-enterprise lending. Marghie Seymour, our Solid Waste Planner, continues to provide valuable assistance to the region's solid waste management districts and communities on issues of recycling and solid waste management. Sharon Penney, Transportation Planner, has been providing the support and guidance for the Council's ISTEPA Transportation Planning Program. This new program will give NCC members a much greater say in how the New Hampshire Department of Transportation prioritizes transportation construction activities in the North Country in the future.

Other activities completed this year include the third annual business survey, the North Country Ingenuity Fair, household hazardous waste collections, wood products market development planning, business counseling, regionwide computerized wetlands mapping, Northern Forest Lands representation, floodzone management, completion of an industrial environmental site assessment, completion of feasibility studies for industrial development, design of solid waste transfer stations, implementation of the rural plastics recycling program, and regional telecommunications system planning.

In October, the Council celebrated its 20th anniversary year of service to the region with a gathering of former board members, friends, community representatives and staffers in Franconia, our old home town.

The Council is here to serve you. If there is any service we can provide, please do not hesitate to call me or Berta Clark, our Executive Secretary, at our offices in Littleton. (444-6303)

Sincerely,

A handwritten signature in dark ink, appearing to read "Preston S. Gilbert". The signature is fluid and cursive, with a large initial "P" and a long horizontal stroke at the end.
